

**AMENDMENT UNDER 37 C.F.R. § 1.111  
U.S. APP. NO. 19/799,890**

**REMARKS**

**Summary Of The Office Action**

Claims 1-14 are pending in the application. All of the claims have been allowed. The Examiner, however, has made several objections.

First, the Examiner objects to the Abstract as exceeding the 150 word maximum.

Applicant submits a new Abstract that does not exceed the 150 word maximum.

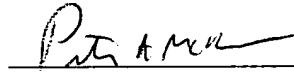

Second, the Examiner objects to the Brief Description of the Drawings, because Fig. 1 is labeled “PRIOR ART”, but is not described as such in the Brief Description of the Drawings. Paragraph 35 is amended so that the Brief Description of the Drawings describes Fig. 1 as PRIOR ART.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.
